

AGAR Section 1, question 10 is marked no.

‘10. We have put in place arrangements for the effective IT and data management in accordance with proper practices during the year under review.’

While the Parish Council had a Publication Scheme and a Privacy and Data Policy in place during the 2025-2026 year, it did not have a specific IT Policy. On 7 May 2026, the Parish Council resolved to adopt an IT Policy, which is now in place.
